Dear Plymouth Commons Homeowner,

Attached is a recent article about Plymouth Township highlighting Plymouth Township's recent designation by Money Magazine as 28<sup>th</sup> among the Best Places to Live in America for 2009.

This follows the award by RelocateAmerica earlier in 2009 identifying Plymouth as one of the Top 100 Places to Live. Which of course follows our earlier designation in 2007 by Money Magazine as 37<sup>th</sup> among the Best Places to Live in America (we've moved up in the rankings). Links to the earlier awards are on our website, [www.pcha.us](http://www.pcha.us).

This email is being distributed to homeowner email addresses on record with the PCHA Board. If you would like to change an address or add another address, please let me know.

Warm regards,  
Brinton

## 28. Plymouth Township, MI 28 of 100

**WINNER**  
**Top 100 rank:** 28  
**Population:** 28,800  
[Compare Plymouth Township to Top 10 Best Places](#)  
Plymouth Township -- whose job market is based largely on the troubled auto industry -- has been working hard to attract more diversified employers lately.  
A number of new research and development firms have moved into the area, and some existing businesses have branched out into energy.  
The township gets high marks for education (the local high school looks more like a university campus) and for lesiure activities (Township Park for the kids; the adjacent 18-hole golf course for their parents). --D.G.
